FREE PROSTATE CANCER SCREENING

Monday, March 19, 5:30-7:00 p.m.

Gibbs Cancer Center-Union
407 West South Street, Union, SC, 29379

One in seven men will be diagnosed with prostate cancer, the second most common non-skin cancer in the United States. A new case is diagnosed every three minutes.

The five-year survival rate for prostate cancer is nearly 100 percent. Get screened.

Gibbs Cancer Center & Research Institute is offering free prostate cancer screenings for men ages 40-70 who qualify and for men with an increased risk of developing prostate cancer.

Call 864-560-1966 to schedule your screening appointment.

Calendar

At the Gibbs Cancer Center and Research Institute, we understand that people living with cancer have needs that extend far beyond the clinical aspects of care. That's why we've developed programs that nurture the mind, body, and spirit—programs that we hope will provide the support that is so important to those living with cancer.
