

## **REFERENCES**

*A minimum of two references should be from a clinical preceptor.*

Additional instructions for clinical preceptors are listed below:

In the PhORCAS Standardized Reference grid, please include the following detail:

- Number of years as a preceptor
- Average number of students precepted per year
- Ranking of candidate within current or past year of students

In addition, please provide honest, thoughtful, and specific examples of the student's ability in the following areas:

- Adaptability and flexibility
- Self-motivation and independence
- Clinical problem-solving skills
- Teamwork and communication
- Ability to accept constructive criticism

*If you have questions regarding our instructions for reference writers, please contact:*
