Use this guide to download MyChart and start exploring.
## MyChart on Apple device
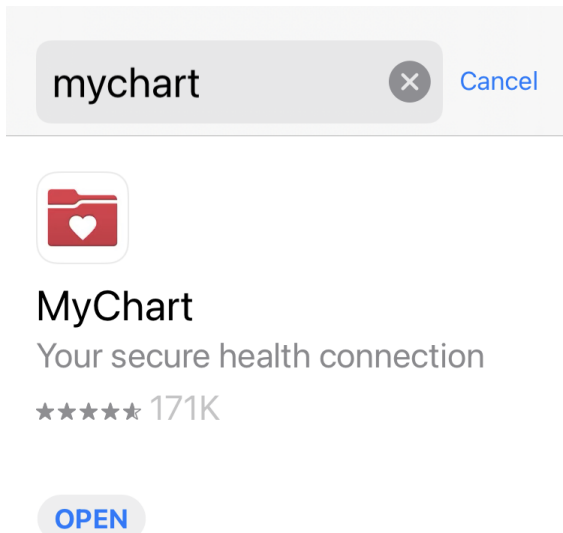

1. Open the App Store

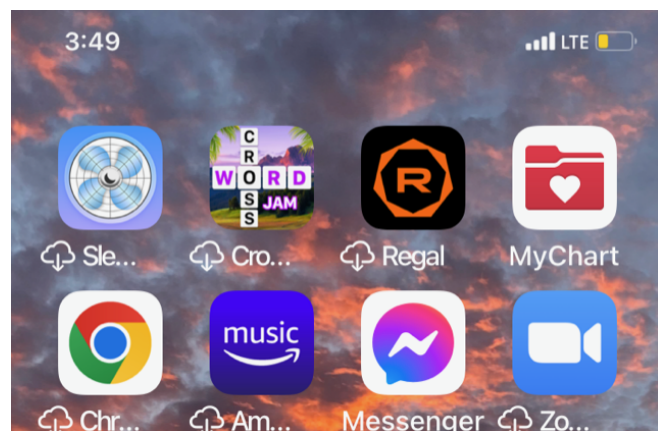

2. Search MyChart

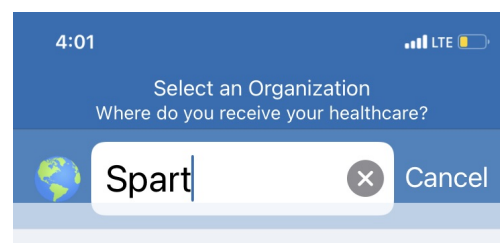

3. Download the App

4. Once downloaded, open the MyChart app

**5.** Click "Switch Organization" on the top right of the screen

6. If you are in SC, you should be able to select Spartanburg Regional Healthcare System from the list of organizations.

7. If you do not see Spartanburg Regional Healthcare System in the search bar, type "Spartanburg." The search bar will already have your current state filled in; you can erase that.
