Wood Street, Spartanburg, SC 29303 and **<RESIDENT NAME>, MD/DO** (the “Resident”).

INTRODUCTION

The Spartanburg Regional Healthcare System is an integrated healthcare delivery system anchored by Spartanburg Medical Center, (the “Hospital”) a teaching and research hospital including family medicine, general surgery, and transitional year among its residency programs. The Resident desires to be employed by SRHS in its **<Choose 1:Family Medicine/Surgery/Transitional Year> Residency Program** as a **Post Graduate Year I** Resident. Parties agree on the terms and conditions of this Agreement as follows.

I. SCOPE. The Resident shall be employed by SRHS as a resident in the Hospital’s **<Choose 1:Family Medicine/Surgery/Transitional Year> Residency Program** (the “Program”).

II. TERM. The term of this Agreement shall be for a period of one (1) year commencing **on July 1, 2024 and ending June 30, 2025** (the “Term”). The Agreement may be renewed for additional academic year(s) by written agreement of both parties. During the Term, SRHS through its Department of Medical Education will provide instruction and experience in compliance with the standards of the Accreditation Council for Graduate Medical Education (the “ACGME”).

III. COMPENSATION. SRHS agrees to pay the Resident an annual salary of **Sixty Thousand Three Hundred Fifteen and 92/100 (\$60,315.92)** payable in equal, bi-weekly installments in accordance with other applicable SRHS payroll policies, and benefits as otherwise provided herein. In the event of early termination of this Agreement for any reason, amounts paid will be pro-rated based on time the Agreement is in effect.

IV. THE RESIDENT AGREES:

1. To serve faithfully according to the terms and conditions of this Agreement during its Term.
2. To conduct himself/herself in a manner exhibiting good moral and ethical character, to maintain appearance and demeanor that is not disturbing to patients, to work cooperatively with others, and to perform in a professional manner satisfactory to the Program Director.
3. To develop a personal program of self-study and professional growth, with guidance from the teaching staff.
4. Under the supervision of the teaching staff, to provide safe, effective and compassionate patient care, commensurate with Resident’s level of education and experience.
5. To perform the duties prescribed by the Hospital’s medical staff or department in a competent, efficient, satisfactory, humanistic and courteous manner in strict accordance with the professional and ethical standards of the medical profession.

6. To participate fully in the educational and scholarly activities of the Program and, as authorized by the teaching staff, to assume responsibility for teaching and supervising other residents and students.
7. To adhere to established practices, procedures, and policies of SRHS, the Hospital, the Bylaws and Rules and Regulations of its Medical Staff, the Graduate Medical Education Committee, all applicable standards, rulings, regulations and requirements of the United States Department of Health and Human Services, the South Carolina Department of Health and Environmental Control, applicable accrediting agencies and any federal, state, or local government agency, third party payer or accrediting body having jurisdiction over or providing reimbursement for the services provided by physicians and any programs and services offered by SRHS and all rules and regulations of other institutions or clinical sites during rotations, and to consider that infractions thereof are full justification for termination of this Agreement with resulting dismissal from the Program.
8. As directed by the Program Director, to serve in all facilities, clinics and activities to which he/she is assigned as part of the Hospital's teaching program.
9. To consider the compensation and the experience and instructions received as the sole remuneration to which he/she is entitled and in consequence, not to directly accept fees from patients, third parties payors, or to engage in any employment outside this Agreement. The Program is a full-time educational experience. Accordingly, Resident shall neither accept nor engage in employment outside of the Program, (moonlighting) either in SRHS facilities or with outside healthcare facilities without the prior written approval of the Resident's Program Director and the Designated Institutional Official.
10. To complete the medical record of each patient under Resident's care in a timely manner and in accordance with Hospital policies.
11. To maintain ACLS, ATLS and other comparable certifications as may be required during the Term of this Agreement.
12. To fulfill all of the requirements to obtain and maintain licensure for postgraduate medical training under the laws of the State of South Carolina.
13. To notify the Program Director and the Designated Institutional Official immediately if any license cited above expires without renewal or is suspended, revoked or limited in any manner, or if any action by any licensing authority, court or government agency regarding licensure, controlled substance authorization, criminal activity initiates an investigation or disciplinary proceedings against the Resident.
14. To successfully complete a health assessment (including drug test) prior to beginning work. The health assessment will be performed by the Hospital, at the expense of the Hospital. The Resident also agrees to complete the required resident orientation, and to complete annual health assessments and annual hospital-wide employee education modules required by Hospital policy and procedures, which are provided to each resident. Failure to complete these requirements may result in suspension and/or termination of the Resident's employment.
15. The Family Medicine resident agrees and acknowledges that passing of the Step 3 Examination (COMLEX-USA Level 3 or USMLE Step 3) is expected prior to December of PGY-II and is required for Resident's promotion to PGY-III.

16. The Family Medicine resident agrees and acknowledges they must take the ABFM/ABOFP certification exam by April of the year of their graduation (November, if they are off cycle by more than 6 months) and upon receipt must supply a copy of their scores to the Program Director.

V. THE HOSPITAL AGREES:

SRHS self-insures or secures coverage through a commercial liability carrier, of its choice, in amounts determined by SRHS to be adequate to cover such liability. The professional liability coverage provided by SRHS is effective for physicians employed by SRHS and the Residents. The professional liability coverage does not require "tail coverage or "prior acts" coverage.
5. To provide the Resident with performance evaluations in the Resident's training program, including discussion with Program Director, or the Director's designee, on the Resident's overall progress toward his/her educational objectives, on a regular basis.
6. To provide access to eligibility for certification by the relevant certifying board, and to present a proper certification upon completion of satisfactory period of residency.

The parties hereby agree to abide by those policies and procedures.
